Dungeon	Sex Dungeon?				
Indirect Control					
Inverted controls					
magic					
Adventure platformer with NO weapons OR the ability to kill enemies					
One button/input only					
AutoRunner					
<b>BORDER OF SERIOUSNESS</b>			<b>CROSS WITH PLEASURE, MUSIC HERE =&gt;</b>		Music Themes for this Spreadsheet part:
Libgdx related (example a "libgdx" character(robot, creature, etc) destroying enemies themed like other frameworks/engines)					1 <a href="https://soundcloud.com/simgretna/friend-like-me-sim-gretna-remi">https://soundcloud.com/simgretna/friend-like-me-sim-gretna-remi</a>
Mayonnaise	<- Baguette Spotted	baguette with mayonnaise?	ewwww		<a href="https://soundcloud.com/swoondubstep/rick-assbutt-never-gonna-hit-tho">https://soundcloud.com/swoondubstep/rick-assbutt-never-gonna-hit-tho</a>
Dank meme game					
100% science based MMO with evoluti	<- Let's try with creationism instead !!				
Grappling hook?				can we add more than one themes?	
Spreadsheet				sure!	we're having fun right
Sports				MARIO WAS HERE ----->	YES WE CAN
Rectangle wars				nuhu, i wasn't	<- bob is that you?
Buggy	goat simulator clone?	or actual buggy car thingy		i added like 5	the spam is real in this one
EVERYTHING IS BASIC SHAPES (like circle or triangle or something, no artist budget needed)				much fun	
Heart, heart, heart					
Cheese maker					
(this space is reserved for the disabled)	handicap parking	ticket avoiding simulator 2016			
but mum					
Cats					
War between crisp flavours					
Bumper carts					
Spooky skeletons					
co-op	<- interesting...	needs to elaborate			
join forces with Ludum Dare	like	real time or async			
facebook game	ugh no				
micro payments	<< REALLY	NO. GET OUT.	"The fight of donors"		
In the Darkness			game is only a donate button	yeah	could also be local
Survival horror			highest \$\$\$ wins		or one person could control two characters?
Time Difference			MMO the easy way		most of these have several different interpretations
Reverse Controls				boolean amiwithnoobs =	
java 1.6				lol java	
RPG				val amiWithNoobs = true	
Dank memes				kotlin master race	
Election					
Electron					
Electric					
Proton					
Quark					
Text based (at most, ascii art)	roqueleik time	Already on it. SquidLib, boyee			

free indie license!

retarded greece v	WHAT	damn it vincent	marvin?	lol hi
		its uruguay (	)	
				i should be workin
		i should too...		fuck the graphics
				not really
				that would hurt
				how would you ev
				fuck graphics
				depends on what graphics
				soxy ones
				hmm
				tictactoe?
				nah

Omelette du fromage  
We say "Omelette au f

come on guys,

i am a failure  
Close enough  
spreadsheets are hard

3 player tictactoe

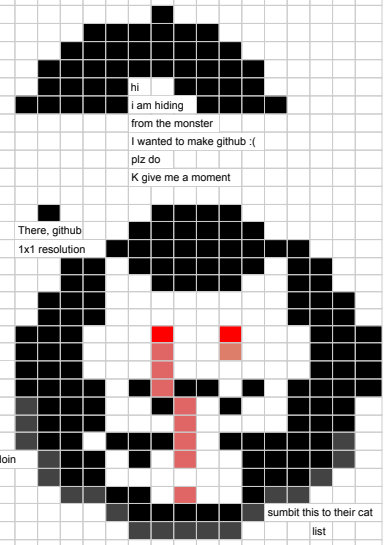

X O O

It seems we going well, how about to try to install Archlinux right here?  
As if Twitch wasn't enough

i do, some  
java lambda club at @1444

my god

I sell illegal immutable Vec2 and Color classes fo libGDX, no Gradle

Selling free food for anyone willing to pay

is it free?

Cheap nullpointers for sale!

Ajascript for sale!

\*IS AN INSIDE JOKE, CAN RELATE

DONT WORRY

You also had a kid at school who never understand how to code?

DING DING DING

**We should sell that spreadsheet for a good price**

Spreadsheet with pixelart

I'm a singleton looking for a date <3

99999 in 1 nintendo games

Any artists in here?

Just look over here ->  
what the fuck is going on over here

<- hasnt played portal yet

hi, my name is mario, i support this message

<- my name is not mario, but i also support me too

Ant?

handmade

<- with exceptions?

we use kotlin, theyre statically checked

<- Get a dereferenced nullpointers only today!

what is ajascript

it's like javascript but indian

sounds nice

It's a mix of Javascript, HTML, PHP, Java, JQuery and whatever more

#NAME?

Mike Rowe Soft

dont worry

be happy

DONT WORRY

DING DING DING

best coop game ever

And monster cat

<- Hey baby :)

<- come and Get() me

<- tough multiton is here to beat your pitty ass!

@Mezzenstein Was Here

what happened to the shadowmap?

now clear

:(

LINE 341 = shadowmap

THX mate, my frusturn wasnt big enough

Knock, knock

who is here?

anonomous Fretchen ->

\*A really long pause..\*

Java

go away mountain estonian

Finland\*

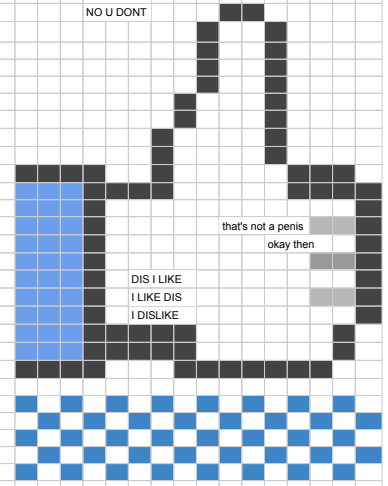

yeah

mountain estonians

also lake estonians

I like turtles

NO U DONT

(^\_ ) Han

wtf

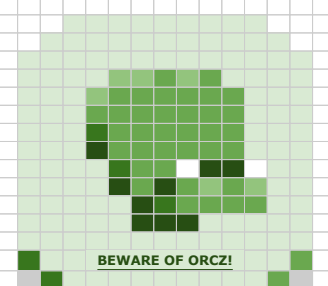

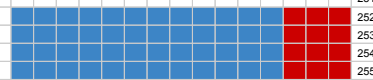

DO NOT SCROLL ANY MORE, IT'S A TRAP DOWN THERE

water on the road  
nice

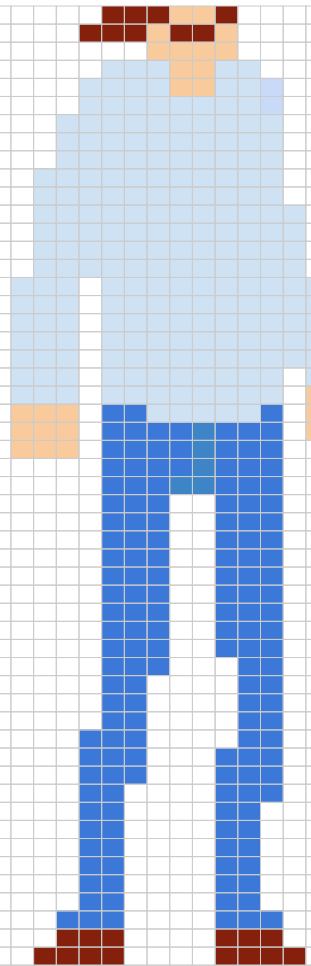

Watch out for the road bump!!

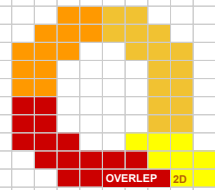

BEWARE OF ORCZ!

senpai

ok ill stop

IM SORRY

secret area dude!

wtf

ALL YOUR BASE ARE BELONG TO US

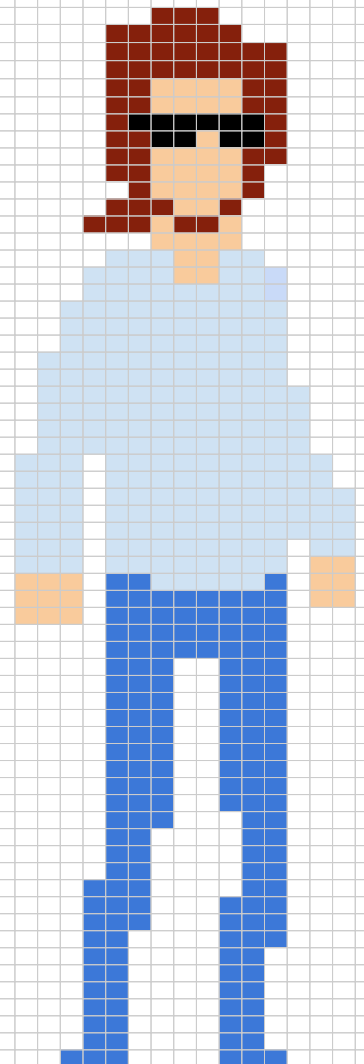

<3

found it

Hey  
Hello world :)

i ruined it      yes you did

Hello universe :)  
NO.      I could just add like 100000 rows and break this for everyone  
done      Dr evil? Pls no, take this 1 million

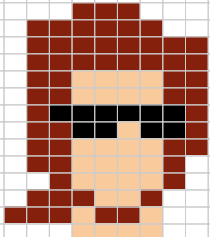

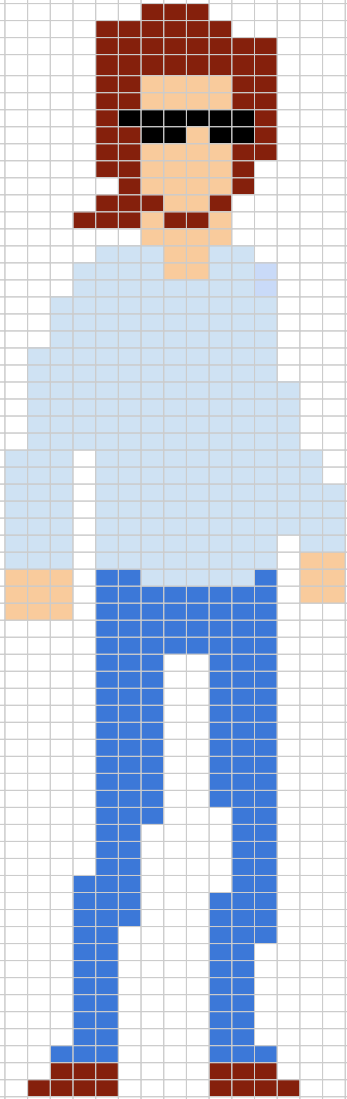

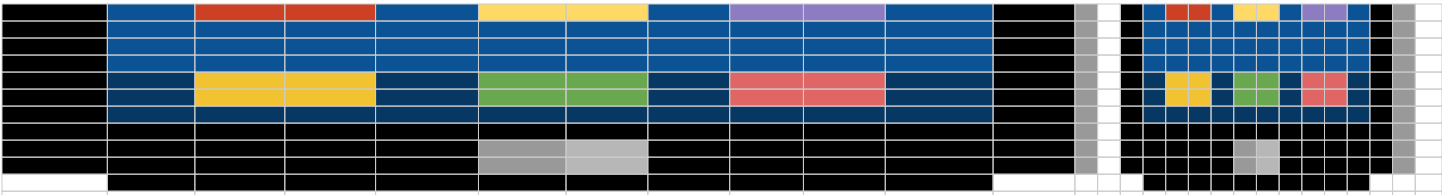

merio pup ?

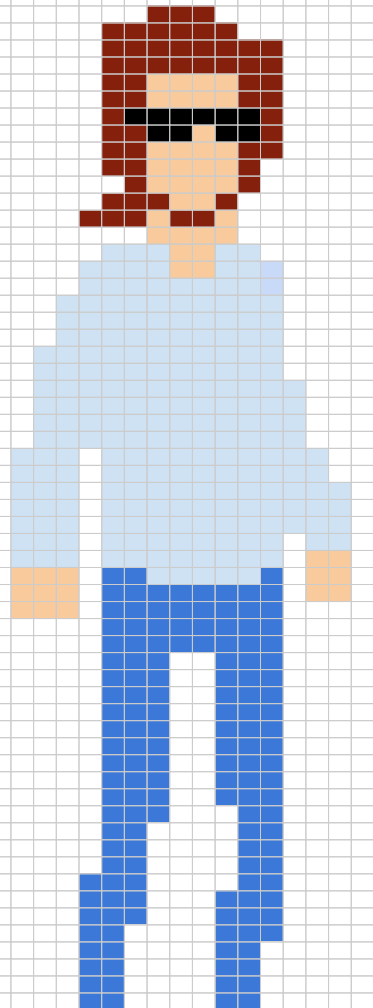

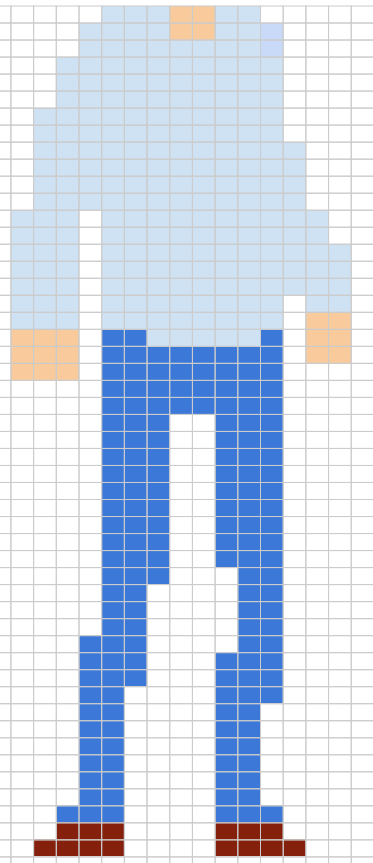

Screw you guys, I'm going home

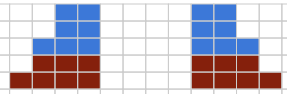

sorry

here i go again

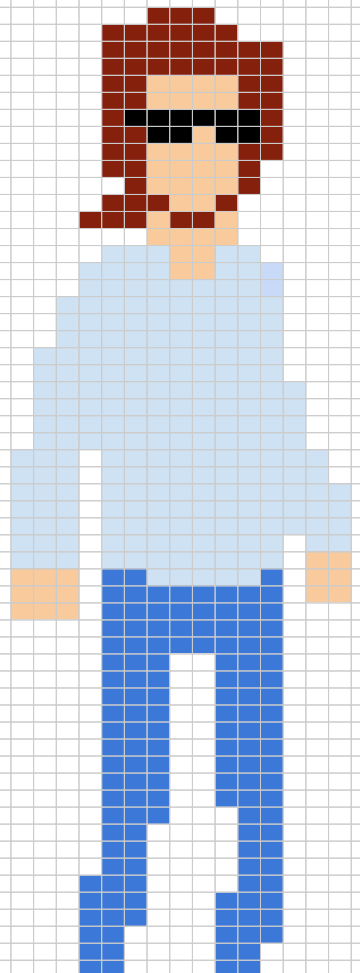

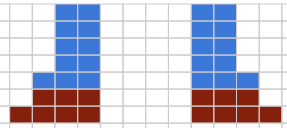

Java Lambda Club

i love lambda, but it's very difficult at the start  
understand, what happens in this code  
but it is very cool, when you will understand this

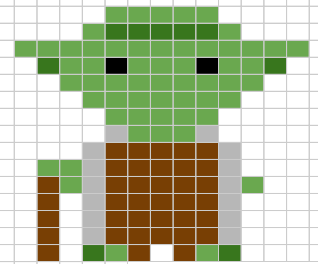

x	x	o
x	o	o
o		x
